Lower Pulworthy is an old farmhouse in the middle of the country and about 2 miles out of Hatherleigh on the A3072. Take a right turn which is signposted to Legge Fisheries. Follow the road up the hill and take the right fork, which will lead you down a bumpy drive. You will see gate posts ahead of you and you will have arrived! There are several farm buildings around you but it is no longer a farm. The concert is in the house. Please park where you can find a space.

CATHERINE MADDOCKS

The CONCERTS IN THE WEST series of MINI-TOURS started in 2006 offering a broad spectrum of CLASSICAL and BAROQUE chamber music.

The TOURS give young professional performers a platform to explore repertoire, and their listeners an opportunity to hear some rarely performed and unusual works that their audience might not be familiar with, as well as some firm favourites.

Our MUSICIANS have studied to post-graduate level, or higher, at music colleges in the UK and abroad and are destined to be heard all over the world.

Our VENUES are in Bridport, Ilminster, Brympton House, Hatherleigh, Shute, Crewkerne and Hinton St George. The venues are intimate and often in unusual places so our revenues are small. If you feel you can help with financial help to support these tours please get in touch with Catherine Maddocks - director@concertsinthewest.org
